Challenging Books & DVD’s from BRETON BOOKS
The SpeciaLink Series

For early childhood educators, resource teachers, parents and early interventionists — anyone passionate about including children with special needs.

The SpeciaLink Early Childhood Inclusion Quality Scale

This workbook is a tool for assessing inclusion quality in early childhood centres and for helping centre move toward higher quality inclusion. The Scale provides a picture of sustainable and evolving inclusion quality—an emerging issue as more children with special needs attend community-based centres and as inclusion pioneers leave their centres and a new generation of directors and early childhood educators take on the inclusion challenges.

INCLUSION: The Next Generation provides a snapshot of current inclusion practices in child care in Canada. This book investigates what makes inclusion work, what makes quality child care for children with special needs a reality. As we enter the third generation, Inclusion: The Next Generation focuses on critical roles and resources that sustain existing inclusive programs and that encourage more centres to enroll children with special needs.

Challenging the Challenging Behaviours

A SOURCEBOOK BASED ON THE SPECIA LINK INSTITUTE ON CHALLENGING BEHAVIOURS IN CHILD CARE

This is a book for including those children we miss — children who challenge even the committed child care worker to the core.

It is a sourcebook for child care practitioners and trainers, consultants and policymakers, as well as all interested parents who care about full inclusion of children with challenging behaviours.
